Before accepting Registration of the TM-Contract(s), the Clearing House will make an assessment whether a Registration would violate the Rules and Regulations or sound exchange and clearing operations. The application for Registration of the TM-Contract(s) must also be confirmed by the other contracting party stated in this application. The Clearing House will accede as a party to the TM-Contract(s) at the time of Registration and thereby assume all of the rights and obligations in accordance with the Rules and Regulations and the economic terms stipulated in this application.
