U = companies under official purchase offer

X = listed during year 2001

Y = New on O-list from New Market under year 2001, all account on O-list incl. trading on New Market.

* Boliden AB is listed from Dec 5, 2001 (see also Boliden Ltd under A-list shares delisted Dec 4, 2001)

** Observer AB is listed from Aug 13, 2001 without serial indication (for total turnover, see Observer A under shares delisted)

1) Total turnover during the year divided with the average exchange value during the year.

2) Number of days with transactions during the year in relation to the total amount of exchange days during the year.

3) States the difference between buy and sell price in relation to the average buy and sell price.

This spread is based on the average of every days' last buy and sell price during the year.
