

EXCHANGE TRADER APPLICATION

Member Firm: Participant ID

Name of the Exchange Trader:

Date of birth:

Exchange Trader's office Phone number (including country code):

Exchange Trader's E-mail:

Date of completed INET/Genium INET examination:

The authorization shall apply to: Equity related Fixed income related (Personal trader)
 Derivatives related Fixed income related (Back office)

Please indicate on which Exchange(s) the Exchange Trader in question will be trading:
 (valid only for Equity and Fixed Income)

NASDAQ OMX Stockholm NASDAQ OMX Copenhagen NASDAQ OMX Helsinki
 NASDAQ OMX Riga NASDAQ OMX Vilnius NASDAQ OMX Tallinn
 NASDAQ OMX Iceland hf.

The above choices will not generate corresponding technical configurations of market access for the user. In INET and Genium INET, market permissions are inherited from the participant for which the Exchange Trader is registered. Trading activity will be followed up through regular audits. Please note that if the Exchange Trader in question wishes to start trading on additional Exchange(s) as compared to the above indicated Exchange(s), the member shall send a new Exchange Trader Application to Member Services with regard to registering the Exchange Trader for the relevant Exchange(s).

In accordance with the NASDAQ OMX Nordic Member Rules 4.4.3 and the Rules and Regulations of NASDAQ OMX Derivatives Markets 2.2.10 (or corresponding local rulebooks and clauses), the member is responsible for ensuring that the Exchange Trader possesses the following requirements:

- At least 6 months experience in securities trading;
- Documented knowledge regarding the Exchange(s)' trading rules and other legislation governing trading;
- Documented knowledge of economics, financial markets, and financial analysis;
- Has taken and passed a test organized by the Exchange(s) in trading in the Trading System and/or has read and understood the Fixed Income Market Model document.

It is hereby confirmed that the above-mentioned person fulfils the requirements stated above and that the person possesses the qualifications and experience, as well as is deemed suitable, to be registered as an Exchange Trader in accordance with NASDAQ OMX Nordic Member Rules and the Rules and Regulations of NASDAQ OMX Derivatives Markets.
