U = companies under official purchase offer

X = listed during year 2003

Y = New on O-list from Nya Marknaden or AktieTorget during year 2003, all account on O-list incl. trading on Nya Marknaden/AktieTorget.

* Active Biotech AB is listed from December 18, 2003 without serial indication (for total turnover, see also Active Biotech A under shares delisted)

** Klöver A last day for trade December 30, 2003 transferred after that to serie B.

1) Total turnover during the year divided with the average exchange value during the year.

2) Number of days with transactions during the year in relation to the total amount of exchange days during the year.

3) States the difference between buy and sell price in relation to the average buy and sell price.

This spread is based on the average of every days' last buy and sell price during the year.
